

2019 HIGHLIGHTS

899

VOLUNTEER HOURS

We had over 40 volunteers help with the garden, composting and animal care.

35

PUBLIC EVENTS

Events include garden work days, nutrition workshops, plant walks, bird walks, fiber and art workshops, group visits and workdays.

840 LBS

FOOD SCRAPS DIVERTED

These food scraps were collected from a local restaurant. By composting them we prevented them from going to the landfill.

528

HOURS OF GRAZING

The flock of sheep grazed in two target zones and helped suppress Common Reed (*Phragmites australis*) using non-invasive methods of treatment.
