

2020 HIGHLIGHTS

Due to COVID-19 we were unable to host any groups or public work days or bring the animals to Tivoli Lake Preserve for grazing. However, we mentored two high school interns and focused on expanding our garden and composting programs for the community.

We planted kale, rainbow chard, tomatoes, peppers, squash, cucumbers, corn, pumpkins. Harvested produce went to volunteers, the Free Food Fridge, Livingston Apartment Residents, Albany Victory Gardens and the CEO Food Pantry.
